Tom joined us from Sussex, England for the 2011-12 summer and was graded in 3rd Grade for the first match. When Rod Stafford took ill and dropped out from 1st Grade just before the start of play, Tom was brought into the side from the adjacent oval. An 18 year old leg spinning all-rounder he was out for a duck but took two important wickets for just 21 off 9 overs to help 1's secure a good win against Bankstown.
