Andrew joined the club in 2016-17 under the RPC-Cricket Ireland Scholarship program. A 25 years old right arm bat he played the first two rounds in 2nd Grade before being called into 1st Grade in round 3 against Northern District at Mark Taylor Oval. Batting no. 7 he was unluckily run out for 23 off 27 balls with three boundaries after coming in to bat late in the day with the score 5-355.

Shortly after returning to Ireland he was selected to join the National Ireland Squad and went on to play first-class cricket with Ireland which was granted Test status in June 2017. In August 2017 he made his maiden first-class century with 130* on the first day of the match against Netherlands at Malahide.
